*Noble School provides a safe and caring environment where everyone enjoys and celebrates childhood and respects diverse values, talents and ethnicity. We promote a variety of experiences that nurture social, emotional, intellectual and academic growth, which contributes to the development of independent, cooperative and responsible citizens with high self-esteem and a life long zest for learning.*

From the desk of Mrs. Ortiz:

Welcome Back Noble Families! This welcome back looks different but the feelings are the same if not more. We have all missed you so much and can't wait to get working again.

I would like to introduce our new clerk Ms. Stephanie. We are so excited to have her. She is home grown right here in BUSD so we are keeping her in the family. We would also like to welcome Ms. Perez, our 4/5th grade SDC teacher. She is coming to us from Toyon along with her program and class. Welcome Noble Knights

Our campus may be closed to start this year but we are all ready to teach, learn, and work together. We will be transitioning our monthly newsletter into a weekly one to keep families more up to date. Please look for information to come.

We will be changing the way we do certain things around here but I promise that "A day in the life of a Noble Knight" will still be fun and engaging.

For parents: Our Front office and campus is closed to the public but we are still here to help in any way possible. Our office will be by appointment only and we will conduct appointments through phone, email, and zoom. Please reach out.

This will be a learning process but one that we are ready to move forward with.

As always and as any day.....IT'S A GREAT DAY TO BE A NOBLE KNIGHT!.

~Mrs. Ortiz
