Noble School provides a safe and caring environment where everyone enjoys and celebrates childhood and respects diverse values, talents and ethnicity. We promote a variety of experiences that nurture social, emotional, intellectual and academic growth which contributes to the development of independent, cooperative and responsible citizens with high self-esteem and a life long zest for learning.

From the desk of Mrs. Ortiz:

Hello Noble Families:

2021-2022.....How is that possible? It has been a whirlwind and the first day of school is almost here. To have all our kiddos back on campus is something that was a dream last year and now it's actually happening. To say we are excited in an understatement.

We have a couple changes in staff. We welcome Ms. Hudson as our new 1-3 SDC teacher. Also, welcome to Mrs. Moreali, our school site instructional coach. Big high fives to our new Noble Knights

We are working hard and planning for a great year. I know each and every student is ready to go and make this the best year yet. There will be tons of learning and growing this year in more than just academics.

While visitors and volunteers are not permitted initially for the school year, please reach out to your teacher and see if there is a way to help out with something at home.... an example maybe to help prep for an activity or art project. As things settle, we will be working with the District Office as to when it's appropriate to start phasing volunteers back onto campus.

We are asking for essential office visits only by families. If you need to visit the office, please call or send an email beforehand so that we can prepare and make ourselves available.

We are all looking forward to working with all our families this year.
Mrs. Ortiz

It's a great day to be a Noble Knight!

Our school appreciates all forms of family support to the children. In addition, Noble has an active PTA that counts on your support for the success of the many programs, activities, and teacher needs **not funded by the state of California**. Your membership and active participation in PTA also acknowledges to the students and community that you value Noble School as the school for your children.

Thursday, Sept. 16th will be our Virtual Back To School Night. This Event provides you an opportunity to meet your child's teacher, learn about the grade level curriculum and to understand the educational objectives and procedures of your child's class. Your classroom teacher will send out more details.

Once again, welcome to the 2021-2022 school year here at Noble School.

Sincerely,

Andrea Ortiz, Principal

STUDENT VERIFICATION FORM :

During the summer the District office mailed to each student a **Student Verification Form** that needs to be returned to your kiddos teacher as soon as possible. Punctuality is important

Please make sure that your child arrives at school on time each day. Learning that responsibility of being punctual is a valuable lesson that will help your child be successful in life. It begins with being on time for class. Students who are tardy must report to the office for a tardy slip before entering class. Please contact the office @ 408-923-1935 each time your child will be out of school.

CAMPUS SAFETY & SECURITY

Safety and the security of the campus is one of our highest priorities. No Visitors or volunteers are permitted at this time. Please follow and respect our school guidelines. Your cooperation is greatly appreciated.

School Lunch for 2021-22:

School lunches are free for this school year 2021/2022. We still highly encourage for families to fill out the application for free and reduced lunches. You may be able to qualify for the P-EBT benefits.

Traffic Reminders

We ask for everyone's support and cooperation in following our traffic procedures. Follow the traffic flow and avoid left turns out of the driveways. Students will exit the car only on the right side. If you are walking, please model safety to your child by using the crosswalk. Please do not jay-walk. Do not park in red zones, in the dirt area near the Kindergarten playground or drive onto campus by the Kindergarten playground. Thank you for keeping our students safe!
