From the desk of Mrs. Ortiz:

Happy Fall/ Halloween/Best season Noble Families. Do you want to know why Fall is a great time of the year? It’s because we have settled into our classrooms, our teachers are really showing off their creativity, and kids are really diving into learning. This time of year is when crisp fresh air inspires new ideas and new curiosities. It’s a great time to begin discovering new, indoor places to explore. It’s a great time to visit the library and find that new adventure to read about.

I want to thank all the families that came to our annual Back to School Night. It really shows your student’s that you care about what is going on in their classrooms. Please keep that communication and contact open with your classroom teachers as the year progresses. It is one of the more effective ways to set your children up for success.

~Mrs. Ortiz

Parents please make sure you arrange with your kiddos any pick up arrangements BEFORE you drop them off each day. We get a high call volume of phone calls asking us to let students know what to do after school. Calling classrooms interrupts instructional time. We really appreciate your help with this matter.

Parents have a unique opportunity to participate in our families are encouraged to attend these events to learn more about Noble School and meet with our Noble families. It’s a great time to learn about Noble School and meet with our Noble families.
