Noble School provides a safe and caring environment where everyone enjoys and celebrates childhood and respects diverse values, talents and ethnicity. We promote a variety of experiences that nurture social, emotional, intellectual and academic growth, which contributes to the development of independent, cooperative and responsible citizens with high self-esteem and a life long zest for learning.

News from Mrs. Ortiz:

Happy Monday Noble Families,

We may be in Distance Learning but that doesn't mean we can't show our Noble School Pride. We are going to still hold spirit days on the last Thursday of the month. This week is our first spirit day and it is Grade Level Color Day! Ms. Janet listed the color per grade level in this newsletter. Have your student wear something of that color to show pride in their grade level.

Also this Friday will be our first Coffee with the Principal. I have linked a coffee lounge in my virtual office. If you click on the coffee cup, it will take you to that coffee lounge. In there you will find the topic or theme of the month, a zoom link for the meeting and some tips regarding the theme. These will be from 9-10 am. I will give a brief update as we get information to share, we will go over our theme for the month with tips, and then there will be time at the end for questions. We may not get to all questions and I may not know answers to certain questions at the time. So we ask that you utilize the chat box as well as live questions so that any that we can't answer we can follow back up and send those answers in the next week's newsletter.

Please continue to reach out for support and questions.

We miss all of our Noble Knights.

~Mrs. Ortiz
