Noble School provides a safe and caring environment where everyone enjoys and celebrates childhood and respects diverse values, talents and ethnicity. We promote a variety of experiences that nurture social, emotional, intellectual and academic growth, which contributes to the development of independent, cooperative and responsible citizens with high self-esteem and a life long zest for learning.

News from Mrs. Ortiz:

Happy October Noble Families!

We are officially over a month into school and it's finally going to be October at the end of this week. I LOVE October. This will be an October that is different than we are used to but we will still do our best to make it fun. Please look for ways that we will still have fun at Noble as the holiday months begin.

We hope that you are settling into a routine and interacting constantly with your classroom teachers. Our office staff is still here to help support. Our physical office may be closed to the public but please call, email, and reach out if you need support with anything. Even if that is for the kiddos. Sometimes the kiddos need someone else to talk to and we are here. We can set up zoom meetings and help out the best we can.

Thank you to those parents that came to Coffee with the Principal. For those who could not make it, we do not record the session to respect privacy but the Coffee lounge and parent tip slides in the virtual office will remain until we change our monthly theme. Just click on the coffee cup and it will take you to the next slide. Our next Coffee with the Principal will be Friday, Oct. 30th. Feel free to wear your Halloween fun.

Have a great week,

~Mrs. Ortiz
